

## **PROPOSED RULE CHANGE TO RS700 DAGGERBOARD**

At 2017 Annual General Meeting the RS700 class agreed to put to the vote RS Sailing's proposed change to the RS Aero daggerboard.

Alex Newton-Southon who is the licence holder, designer and boat manufacturer has raised the proposal and fully supports the vote.

In order to implement the proposal amendments have to be made to the RS700 rules.

This requires a majority vote of the relevant members of the Class Association who return written replies within one month of the circulation of the proposed rule change.

The proposed rule change is being circulated today Friday 19 January 2018. The closing date for your written reply is therefore Friday 16 February 2018. An email response counts as a written reply.
